

NEW RESOURCES for TEACHING & RESEARCH

from the DEFA Film Library at UMass Amherst

TEACHING GUIDES

Our first two Teaching Guides, for *Coming Out* (1989, dir. Heiner Carow) and *Our Children* (1989, dir. Roland Steiner), are now available. We are currently working on Teaching Guides for Jörg Foth's *Biology!* and Peter Kahane's *The Architects*. Access our Teaching Guides and read more [HERE!](#)

FILMBOX

FILMBOX, our free digital teaching archive, includes video discussions with directors and scholars, short introductions to DEFA films and more. It's perfect for teachers, researchers and students! Read more about FILMBOX [HERE!](#)
